

### **III. Examiner Interview Summary**

On October 14, 2008, Robert R. Cleary, Jr. conducted an interview with the Examiner, Janet Wilkens. The interview was brief and touched on the Examiner's belief regarding the allowable subject matter of claim 23, the Examiner's view regarding the drill chuck of Manzel falling under the category of analogous art, and the Examiner's view regarding the combination of a helical engagement member with an elastomeric material such as found in Neal. The Examiner's views were clarified, and no agreements were reached. Applicant thanks the Examiner for her time.

Respectfully submitted,

Dated: October 22, 2008
